

### Medical Journal of Australia

The *Medical Journal of Australia* (MJA) is Australia's leading peer-reviewed general medical journal. It has been delivering groundbreaking research to the medical community since 1914. Published twice a month, with one issue in each of January and December (22 issues a year), the MJA covers all the important issues affecting Australian health care, publishing the latest clinical research, evidence-based reviews, clinical practice updates, authoritative medical opinion and debate, and developments within the humanities with respect to medicine.
