

Pediatric Dermatology

Pediatric Dermatology answers the need for new ideas and strategies for today's pediatrician or dermatologist. As a teaching vehicle, this journal is still unsurpassed, and as progress is made in any area involving infants and children, it presents the findings. *Pediatric Dermatology* is published in association with the Society for Pediatric Dermatology, the European Society for Pediatric Dermatology, and the International Society of Pediatric Dermatology. The journal provides international information focusing on:

- Hemangiomas
- Atopic dermatitis
- Rare presentations of childhood diseases
- Neonatal medicine
- Therapeutic advances
